Dear Dr. Indra Suharman,

We received your manuscript. But, before taking any further step, you have to edit the paper according to the journal's template (attached to this message and also available on the journal's website).

After that, send the paper to me only, because I will be your editor. Also use doc format, not docx.

Looking forward to have your reply.

Thank you very much!

With best regards,
Claudiu Gavriiloaie, PhD

Dear Dr. Claudiu Gavriiloaie,

I hope you are fine and everything is going well.
I would like to know the status of our application of a research paper entitled "Utilization of feather meal fermented *Bacillus subtilis* to replace fish meal in the diet of silver pompano, *Trachinotus blochii* (Lacepede, 1801)" sent a few weeks before. I hope that our paper is under review process. Thank you very much for your kind attention and cooperation.

Dear Professor Indra Suharman,

We are done with the complete review for your paper. We did some English and editing corrections, but overall the paper is excellent.

However, there are few important comments to be addressed. For that, kindly work only in the attached document and **highlight with a bright color** (yellow or green) **all the changes you will do**. Leave our red corrections as they are so we can easily distinguish between them and your upcoming ones.

Regarding the processing fee of 250 USD + bank taxes, try to pay it these days so we can publish the paper this year. For the payment use only one of the two variants below and after that send me a scan copy of the bank document.

Thank you very much!

Cordially yours,
 Claudiu Gavrioloie
